## GUEST BEER & SEASONALS

As well as our Core beers, we have several other keg lines which rotate through special release or seasonal beers from our brewery, as well as guest breweries which we believe make some incredible beer!

Ask our team what's on this week!

## CASK BEER

In addition to our Keg line up, we have three cask pumps that constantly rotate MBH cask beers.

From Core Range favourites to concept or limited edition seasonal beers, we bring you everything from traditional to experimental cask beer.

Ask for more information on our selection this week!
